The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that, the passing there
Had worn them really about the same.

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on the way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.

To the Class of 1986:

It has been my pleasure to serve as your advisor for the past three years. In that time, I have had the opportunity to observe you mature from timid, unsure Freshmen to self-confident, aware Seniors. I sincerely hope that this growth continues for all of you in the years ahead.

Your graduation year, 1986, is the 20th anniversary of my Pittsfield High graduation year, 1966. In those twenty years, many extraordinary events in the world, both positive and negative, have occurred. Because I was witness to those events, I would like to offer a few hopes and aspirations for you:

- (1) Don't be afraid to try anything new. If an opportunity arises, surprise yourself and try for it.*
- (2) Try to accept everyone as an equal. Our world is comprised of all different types, so appearance and first impressions can be very deceiving.*
- (3) Constantly work to improve yourself. Our world is a rapidly changing one. To succeed, you must adapt to the times.*
- (4) Dream. Never be afraid to hope and dream for yourself. However, you must be willing to work to achieve your dream. Never forget that your world is affected not by the loud, boisterous types, but rather by the dreamers and philosophers.*

Whether you are entering marriage, the work force, the armed services, or furthering your education, I wish you the best. Good luck in everything you do.

Sincerely,

James Andersen

Dear Mr. Andersen,

You made the class of 1986. It was you who made the difference. With your selfless guidance and support, our class was able to succeed. Thank you for everything.

Thank you for all of your precious time and effort. Thank you for leading us through all the fundraisers. Thank you for helping us to make the prom such a success. Now, in our last year at PHS, thank you for making us plan ahead. And most of all, thank you for making it fun.

Your concern for our welfare is touching. We will always remember you in the future. Our four years at PHS have been special because of you. You are truly an inspiration.

Most sincerely,

ADMINISTRATION

A word cloud in the shape of a graduation cap. The word 'GRADUATION' is at the top, and 'NANDAM' is at the bottom. The cap is filled with various educational terms like 'ATTENDANCE', 'BUSINESS', 'COMPUTERS', 'CUSTODIAL STAFF', 'ENGLISH', 'FOREIGN LANGUAGE', 'GUIDANCE', 'LIBRARY', 'MATHEMATICS', 'MUSIC', 'NURSE', 'OFFICE STAFF', 'PHYSICAL EDUCATION', 'READING', 'SCIENCES', 'SOCIAL STUDIES', 'SPECIAL EDUCATION', and 'VOCATIONAL EDUCATION'. The words are arranged in a way that they fit the shape of the cap, with 'GRADUATION' being the largest word at the top and 'NANDAM' being the largest word at the bottom. The words are in various sizes and orientations, creating a dense and colorful composition.

TRANSITION AND MAN

A Special Tribute . . .

We, the Class of 1986, would like to extend a special thank you to Dr. John C. Davis who served as Superintendent from 1978 to 1985, the majority of our years in the Pittsfield Public Schools.

At the time of his appointment to the superintendency, a school committee member was quoted as saying it was "the best news since the Red Sox last won a World Series — and that was in 1918." In retrospect, these words indeed rang true.

Dr. Davis' tenure was a difficult one as Massachusetts found itself in the throes of Proposition 2½. Not only were finances tightly monitored and cutbacks a necessity, but also a sharp drop in population made it necessary to close several elementary schools and eliminate many teaching positions. We commend Dr. Davis for the manner in which he met these problems head-on and dealt with them, making many decisions that were difficult. It was during this time that Pittsfield High became a four year high school.

We feel the future of the Pittsfield schools is brighter because of the caring leadership of Dr. Davis during the crucial years of restructuring. His dedication will not be forgotten. We wish him much success in the future in his new position as Administrator of the Copenhagen International Schools in Denmark.

In Fond Memory . . .

The Class of 1986 dedicates this yearbook to Frank J. Moynihan, a man who dedicated his life to promoting physical education and sportsmanship in Pittsfield. He was born and raised in Pittsfield and graduated from Pittsfield High in 1940. He went on to serve his country in the United States Army from 1942 to 1945 where he ended his military career with the rank of Sergeant. Upon the end of World War II he entered Siena College. He taught at PHS for 26 years, was a basketball coach for 10 years, and an athletic director for 13 years. Altogether, he had a 30 year career in sports and a 29 year career in the Pittsfield Public Schools.

However, these accomplishments alone are not what made Mr. Moynihan such a fine person. As quoted from the *Berkshire Eagle*, "The chief qualities that have won Moynihan the friendship of many and the respect and affection of his players are thoughtfulness of others, loyalty to his team and friends, and a sense of humor that is a highly effective tension-breaker." He stood as an example of good sportsmanship and commendable citizenship in the Berkshires.

The fieldhouse at PHS was dedicated to Mr. Moynihan in February of 1984. His long-time friend, Congressman Silvio O. Conte spoke at the dedication ceremony. "The fact that this fieldhouse will stand forever as a testament to Frank's 29 years of service to the city, its young people, their families, and to the spirit of teamwork and sportsmanship so important in life should make all of us proud to call Pittsfield home."

Frank J. Moynihan died on July 24, 1985 and he is greatly missed. He will not be forgotten for his many contributions to Pittsfield High School and the community at large.

Welcome

Aboard

Dr. Robert L. LaFrankie
Superintendent of Schools

The Class of 1986 cordially welcomes Dr. Robert L. LaFrankie to Pittsfield, specifically to the helm of the Pittsfield Public Schools. He assumed the role of Superintendent of Schools on February 1st, 1986, chosen from a field of 59 educators who applied for the post.

Dr. LaFrankie earned a B. Ed. in 1952 from Duquesne University, an M. Ed. in 1958 from the University of Pittsburgh and an Ed. D. in 1967 from Teachers College, Columbia University. Several of his professional articles have been published and he is currently writing a book entitled, *The Superintendency: An Anecdotal View*.

His career began as a teacher in Glassport, Pennsylvania and within two years he became principal of his school. Dr. LaFrankie has also served as Superintendent of Schools in four districts, the last of which was in Bethlehem, Pennsylvania, an inner-city school district with 11,000 students.

We embrace his educational philosophy that he put forth indicating that he is "dedicated to the belief that public education must meet the needs of all who attend school; that basic skills must be stressed and mastered; that tradition, values and democratic processes must be an integral part of the total education program."

We wish him the best of good fortune in his new endeavor. We know that the future of many will rest in his capable hands and that he will meet his new challenge with dedication, hope and leadership that has earned him this important position.

William P. Coan, Principal

To the Class of 1986:

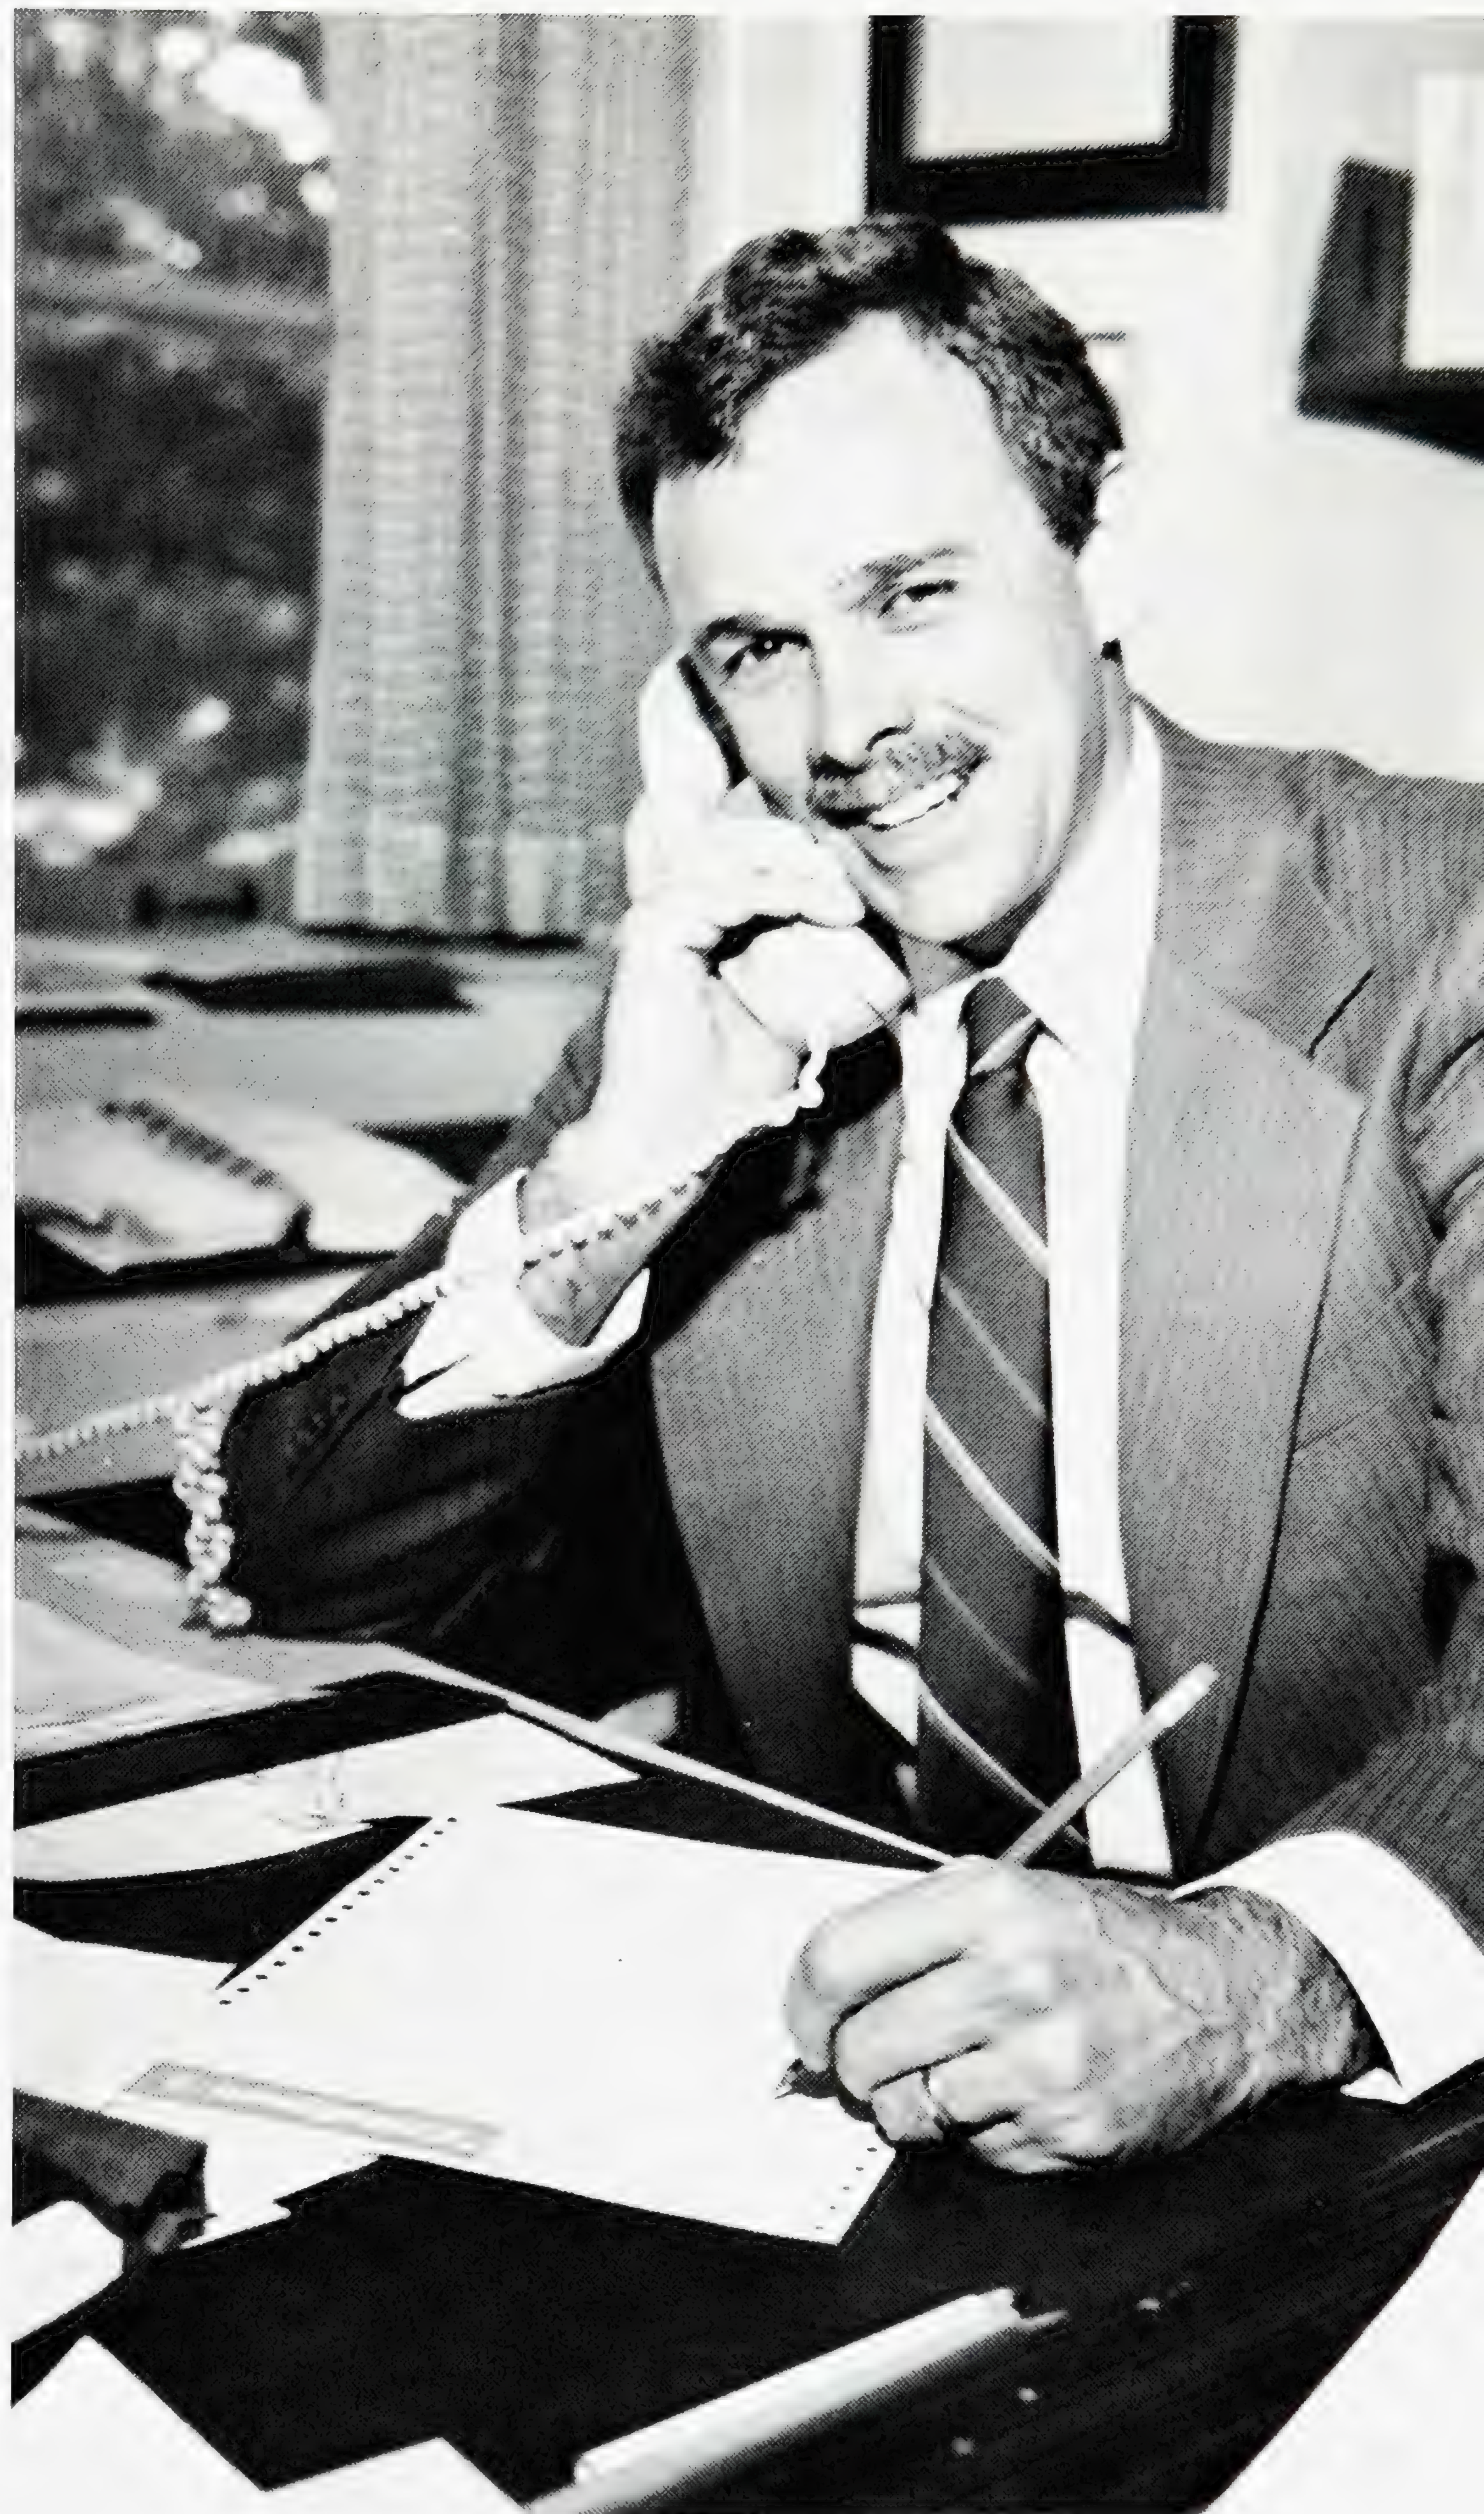

I hope that the reading of your yearbook generates positive images of the years you spent at Pittsfield High School. It was a time in which you grew mentally and physically from late childhood to early adulthood. During this time you were tested and evaluated through classroom exams, a series of Basic Skills tests, and for many, the Preliminary Scholastic Aptitude Test, the Scholastic Aptitude Test, the Achievement Test, and Advanced Placement exams. You have measured yourselves against others in athletics, the arts, and extracurricular academic competition. You have stretched yourselves through community volunteerism. We have tried to recognize your achievements through athletic and academic awards programs, National Merit, and Letter of Commendation certificates, as well as community and school awards and scholarships.

But the true reward comes from the self-satisfaction of having attained personal goals that will lead to greater fulfillment in your adult lives. I hope you continue to pursue your vocational and educational objectives and that you return to apply your many talents to the betterment of this community.

Sincerely,

William P. Coan

To the members of The Dome Staff -

“Will this ever be finished . . .”

Well, it is; and you should be justifiably proud of your work. You have created a memory that will live far longer than your four years at PHS. The dedication, ingenuity, and uniqueness that you have displayed in these pages have earned the gratitude of the staff and student body of this school. My personal thanks must also go to the members of the Advertising Staff and to Shirley Beauchamp, both of whom showed persistence and resourcefulness that proved outstanding. What a success!

To all my friends in the class of '86 -

My hope is that your future is happy, healthy, and successful. Good luck!

If a yearbook is only as good as its staff, the 1986 Dome is outstanding! It has been an honor for me to guide you through this production. It was exciting to see ideas born and transformed within these pages. Will I remember this year as hours of hard work and 5 o'clocks? No, I'll remember it as FUN with a tremendous group of young people. I hope your memories will also be fond ones. Thank you for the pleasure. As you leave PHS, just remember that the future is yours. Go for it!

I also wish to thank the entire class of 1986, the faculty and administration and especially Tom Dillon for supporting our efforts to make this Dome a very special publication.

Sincerely,

Shirley Beauchamp

The Pittsfield High boys' soccer team posted a solid overall record of 11-6, and they were 11-3 in league play. The young team, with only four seniors, including co-captains Brian Tremblay and Mark Bills, was led in scoring by junior Jamie DiMassimo and sophomore Mike Belanger. The solid defense, which gave up only 18 goals in 17 games, was anchored by All-Berkshire goalkeeper Brian Tremblay, and fullbacks Peter Dolfis, Greg George, and Rob Maloney, who also made the All-Berkshire squad. In the Western Mass. tournament PHS lost a tough first round overtime game to West Springfield. Seniors Jose Smith and John Quinto also helped the team on the defensive and offensive attack. Because of the strength of the returning players, next year's team should be very successful.

The Pittsfield High girls' soccer team was plagued by ties this year-they had five, along with 4 wins and 5 losses. Seniors, Captain Mary Robarge -an All Berkshire team member, Janice Farrell, Kellie O'Hagerty, Eileen Tierney, and Cari Chmura were driving forces behind the team's success. Next year's team should be even more successful with the ability of upcoming players including Sarah Brezniak-another All-Berkshire player, Amy Robarge, Heather Schultz, and Alycia Sacco who played so well and helped the team so much this year.

The team was led by sophomores Fran Tetlow, who had three first place finishes, and Pat Hctor, who ended the regular season with three second places. Tetlow placed third in the Division 1 Individual Competition and Hctor placed twelfth. Hctor also had a sixth place finish in the Northern Division Western Mass. Competition. The team should be very strong next year, losing only one senior, Glenn Diehl, who also had a successful year with a seventh, an eighth, and two ninth place finishes.

This year's very successful girls' cross-country team excelled both as a team and as individuals. The team's overall record for the season was 8 wins and 3 losses and they placed third in Western Mass. team competition. At the state meet they were first among Berkshire County teams and ninth overall. All-Berkshire first team members Patrice Coan and Lisa Timmins were instrumental in their team's success, as well as was Raylene Roberts, a sophomore, an All-Berkshire second-team member. Patrice placed first in the Berkshire County Individuals Race, fifth at Western Mass., and twenty-first at the state meet. Senior Lisa Timmins took tenth at the Individuals Race, eleventh at Western Mass. Freshman Chris Munier and sophomore Raylene Roberts—who also placed fifteenth at Western Mass.—took fifteenth and ninth respectively in the Individuals Race. Departing senior Lisa Timmins will be missed but the strength of the young team will prevail.

The girls' gymnastics team is a new addition this year at PHS. Miss Angelini, one of the four gym teachers, started the team because there seemed to be enough interest in the previously untried sport. Lisa Yuille and Jennifer Procopio are captains of the thirteen-member team. For the 1985-86 season the gymnastics team was not accepted into the League because they were unaware of the League until it was too late to apply so there were no official meets. They defeated Hampshire in one meet and finished within fifteen points of Wahconah (the current champions) in another. The girls' gymnastics team has already been accepted into the League for next year so they will be official competitors in the 1986-87 season.

Boys' Basketball

Although the boys' basketball team had a rather disappointing season with an overall record of no wins and seventeen losses, one of the major highlights was senior tri-captain Drew Carmell's 39-point game against Hoosac Valley. Senior tri-captains Terry McMahon and Kevin Jones, along with seniors Kirk Gilbert and Tom Moody, made significant contributions to the team. Certainly the extensive playing time and experience gained by the juniors and sophomores on the team will prove to be a great asset next season. Despite the fact that the season did not turn out as well as the team had hoped, the boys showed outstanding spirit and determination as they kept working toward their goals.

The Pittsfield High girls' basketball team finished with a winning season of 16-5. The Lady Generals, with no seniors, made it all the way to the Western Mass. finals. They were seeded fifth in Western Mass. and defeated fourth ranked Cathedral and first ranked Amherst to make it to the finals at the Springfield Civic Center. The Generals were upset by a scrappy second seeded Chicopee team in the finals. The tall front court of Keyburn McCusker, Tracy Borden, and Maggie Ward led Pittsfield throughout. Maggie Ward averaged 12 points, Keyburn McCusker averaged 11 points, and Tracy Borden also averaged 11 points a game. McCusker and Ward are masters at shot blocking and Borden led in the assist area. All three dominated in rebounds. The young guards, Chris Coughlan (sophomore) and Tina Sottile (freshman) did an outstanding job this season. They improved with each game. Michelle Barzowskas was a very critical player for the Generals this season. Having to play with two knee braces did not stop Michelle from being constantly aggressive and taking charge. Lisa Schmidt, the six foot junior, came off the bench to pull down many critical rebounds. The Generals will be back next season hoping for an undefeated season and a Western Mass title.

 Coach: Steve McDermott.

The Girls' and Boys' Alpine Ski Teams both had outstanding seasons placing 1st and 2nd in Berkshire County respectively. The Girls' Team was led by freshman Ana Cordon, who was an All-Berkshire selection along with sophomore Patrice Coan and her junior sister Jeannine Coan. Ana Cordon also came in 3rd in the State Alpine Competition, quite an accomplishment for a freshman skier.

The Boys' Alpine Team was led by All-Berkshire selection Todd Tuggey. The Team had an outstanding year, as has been customary for many seasons, finishing second to a powerful Taconic Team. Next year, the team has high expectations for it only loses one senior, Todd Cave.

Both the Girls' and Boys' Teams are blessed with youth and speed. The Girls' Team loses no one and the Boys' Team loses one as both teams expect to be formidable powerhouses in the county next year. With this year being a year for helpful experiences gained by these young teams, the sky is the limit for the future. Watch out Berkshire County!!

Boys' and Girls'

Both the girls' and boys' cross country ski teams had solid seasons finishing in second and fifth places in their divisions, respectively. Although the girls' team lacked seniors, sterling performances were given by sophomores Jessica Ervin and Paula Ragan, and juniors Beth Levison, Haven Parchinski, and Kathy Bobrovsky. The boys were led by veteran seniors Tony Chase and Glenn Diehl. The girls' team, ranking third at the state meet, placed Ervin, Levison, and Bobrovsky in the top 20 individually, with the boys placing sixth at the state meet and Chase and Mike Horner among the top 25 individuals. Certainly, the depth and skill of both underclassmen of the girls' and boys' teams will prove to be an asset in the coming year.

Third Row: Chris Shoff, Steve Taglieri, Doug Twining, Mike Hamilton, Matt Gershoff, Jim Morgan, Howie MacKay, Brad Klase, Ed Krzysztof, Ed Jones, Jim Salzarulo.

The wrestling team, coached by Gary Fiero, had a 3-8-1 record but hopes to use this experience as a stepping stone toward next season. The team was lead by senior co-captains Mark Barile and Corey Sibbio and had senior support from Scott Stone, Marty Streit, Joe Sumy, Mark Fabino, and Dave Frechette. This year 16 members of the 28 member team were first year wrestlers, 10 of whom were freshmen. Furthermore, Scott Stone was slowed with a shoulder injury and co-captain Corey Sibbio had limited capability after he reinjured his ribs.

Mark Barile, at 134 lbs. won the team's trophies for most takedowns, most pins, and garnered the prestigious Most Valuable Player award as well as placing second in the county Christmas Tournament. Another outstanding achiever was Junior Ed Jones at 169 lbs. who won the team's George Sylvester Sportsmanship award. Next year's team promises to be more experienced and have greater depth. The end of this season was full of optimism and enthusiasm about the future of the young wrestling team.

The girls' swim team ranked sixth place in Western Massachusetts and earned the title "undefeated" in their division. The two captains were Marie Adornetto, who excelled in the butterfly, and Cari Chmura, whose forte was the backstroke.

The boys also had an outstanding year, losing only two double dual meets and winning six. Superior performances were turned in meet after meet by junior Steve Laurin and sophomore Pat Mitchell. Co-captains Keith Reardon and Lee Coddling also turned in an overall good season.

The Pittsfield High hockey team as usual had a very successful season with an over-all record of 19 wins, 3 losses, 1 tie. For the 7th season in a row, they were the Hennessey League Champs with senior co-captains Chris DiCicco and Mike Chapman, seniors Jim Bownes, Shaun Risley, Dan Carty and John Quinto all making excellent contributions to the team's success. Chris DiCicco and assistant captain Ken Fry were named to the All Berkshire first team, with Mike Chapman, Chris Pearson, Jeff Renzi, and Mike Daury named to the second team. The only disappointing note of the season was the team's 9-8 loss to the Putnam Beavers in the Western Mass. semi-finals in triple overtime. The effort put out by all members of the team throughout the season was tremendous and a continuation of the long line of superior Pittsfield High teams.

This year, the Pittsfield High baseball team had yet another winning season, with 16 wins and 2 losses. They also won the Berkshire County Championship title. Senior tri-captains, Terry McMahon, Joe Sondrini, and Jeff Astore, had an excellent season, as did senior Dan Martin. Senior Dave Decelles contributed his tremendous batting skills to the team's success. Junior pitcher Steve Gniadek led the league with an ERA of 1.94. Steve Little and Pat Mitchell, both sophomores, did well, and are promising players for the seasons to come.

Softball

Our girls' softball team had one of its best seasons in a few years with a winning record of 10 wins and 8 losses. Seniors, Rhonda Daniels, Kellie O'Hagerty, and Janice Farrell, all had successful seasons, and they were great assets to the team. Juniors, Chris Romacki, who made several outstanding plays in the outfield, Sue Dahrouge, Tammy Voloscove, and pitcher Jessica Williams, excelled and should prove to be even better as seniors.

The 1986 girls' track team which included seniors Beth Sammons, Denise DeSantis and Lisa Timmins had a very successful season despite a disappointing loss against league leader Wahconah. The girls had a number of outstanding individual performances. Raylene Roberts finished fifth in the County in overall points with 82 3/4 and at the individuals meet held at Hoosac Valley high school, she earned the meet's Co-Most Valuable Player award by finishing first in the 440 and third in the triple jump. Patrice Coan and Chris Munier had good seasons running the mile and 2 mile races. Along with Roberts, there were other strong performances at the individuals meet: Lisa Timmins finished second in the 880. Amy Vigeant finished third in the 200 meter sprint. Patrice Coan was second in the mile, and Tara DeWinkler was third in the shot put. Maggie Ward finished first in the high jump and the mile relay team finished a strong second.

At the individuals meet held at Hoosac Valley high school, Fry won the long jump with the county's only jump of 21 feet and was a close runner up in the 100 meter sprint which earned him the meet's Most Valuable Player. Pat Fallon had an outstanding year running the 440. He won all but one of the races he entered and his time of 53.3 seconds was the second best in the county. The victories this season were not as easy as in the past few years but the veteran members of the Tennis Team led it on to another excellent season. The starting team consisted of Connie Chmura, Andrew Grimshaw, and senior Co-Captains Eric Hammerling and Cari Chmura at singles and the teams of senior Co-Captain Brian Tremblay with Martha Vazakas and Pete Dolfis with Sean O'Donnell at doubles.

This year marked the splitting up of the "dynamic duo" of Hammerling and Tremblay, doubles standouts since their freshman seasons. However, both were successful in their respective positions. Hammerling was strong and steady at second singles and Tremblay, teamed with Vasakas at 1st doubles, was arguably one of the best doubles players in Western Mass. Senior Cari Chmura was excellent at fourth singles where she won nearly all of her matches in impressive fashion. Altogether, the season was a very successful one and Coach Harley Shepardson proved his leadership ability as he weathered all setbacks with competitive optimism. Though the team loses seniors Eric Hammerling, Brian Tremblay, and Cari Chmura, it will be strong again next season and will seriously challenge the powerhouse Greylock squad.

Dave Desnoyers, Jamie Hurley, Tom Sykes, Joe Thorton, Captain: Kirk Gilbert, Captain: John Quinto, Glenn Gilbert, Mike Grady, John Cowell, Shaun Powers, Coach: Brad Benson.

The 1986 Golf team which included senior Captains Kirk Gilbert and John Quinto went an undefeated 12-0 to win the Berkshire County title. The team was sparked by some awesome individual efforts. Six from the squad finished the season in the top 12 in the county: Kirk Gilbert with a 76.6 average, Shaun Powers with a 79.1, John Quinto with an 81.4, Glen Gilbert with an 83.1 and sophomore standouts Dave Desnoyers with an 82.6 and John Colwell with an 83.4. Senior Co-Captain Kirk Gilbert qualified for the state individuals with a 6 over par 78 to finish second at the Western Mass. tournament held at Waubeeka Springs Golf Course.

In the Western Mass. finals, the team finished third behind Westfield and Amherst. Junior Shaun Powers tied for first place with Westfield's Jim Perry, with a score of 75 to earn medalist honors.

PEACE WEEK

December 16-20.

The Student Council, Pep Club and all four classes at PHS designated the week of December 16-20 Peace Week. The Dome was draped with a purple bow as a reminder to the city that everyone must play a role, no matter how small, in promoting world peace through tolerance and understanding. Each student was provided with a purple bow to wear throughout the week as a reminder. The ribbon also served as a tribute to the American military personnel who lost their lives in a plane crash returning from a peace keeping mission in the Middle East. The culmination of the week's activities was the signing of a Pledge of Peace to be sent to the United Nations and placed in a time capsule. The seniors were also invited to write their definition of peace on the large banner that graced the lobby during the week.

Peace is...

Love and caring

Being able to share with someone

Togetherness

A state of love not a state of war

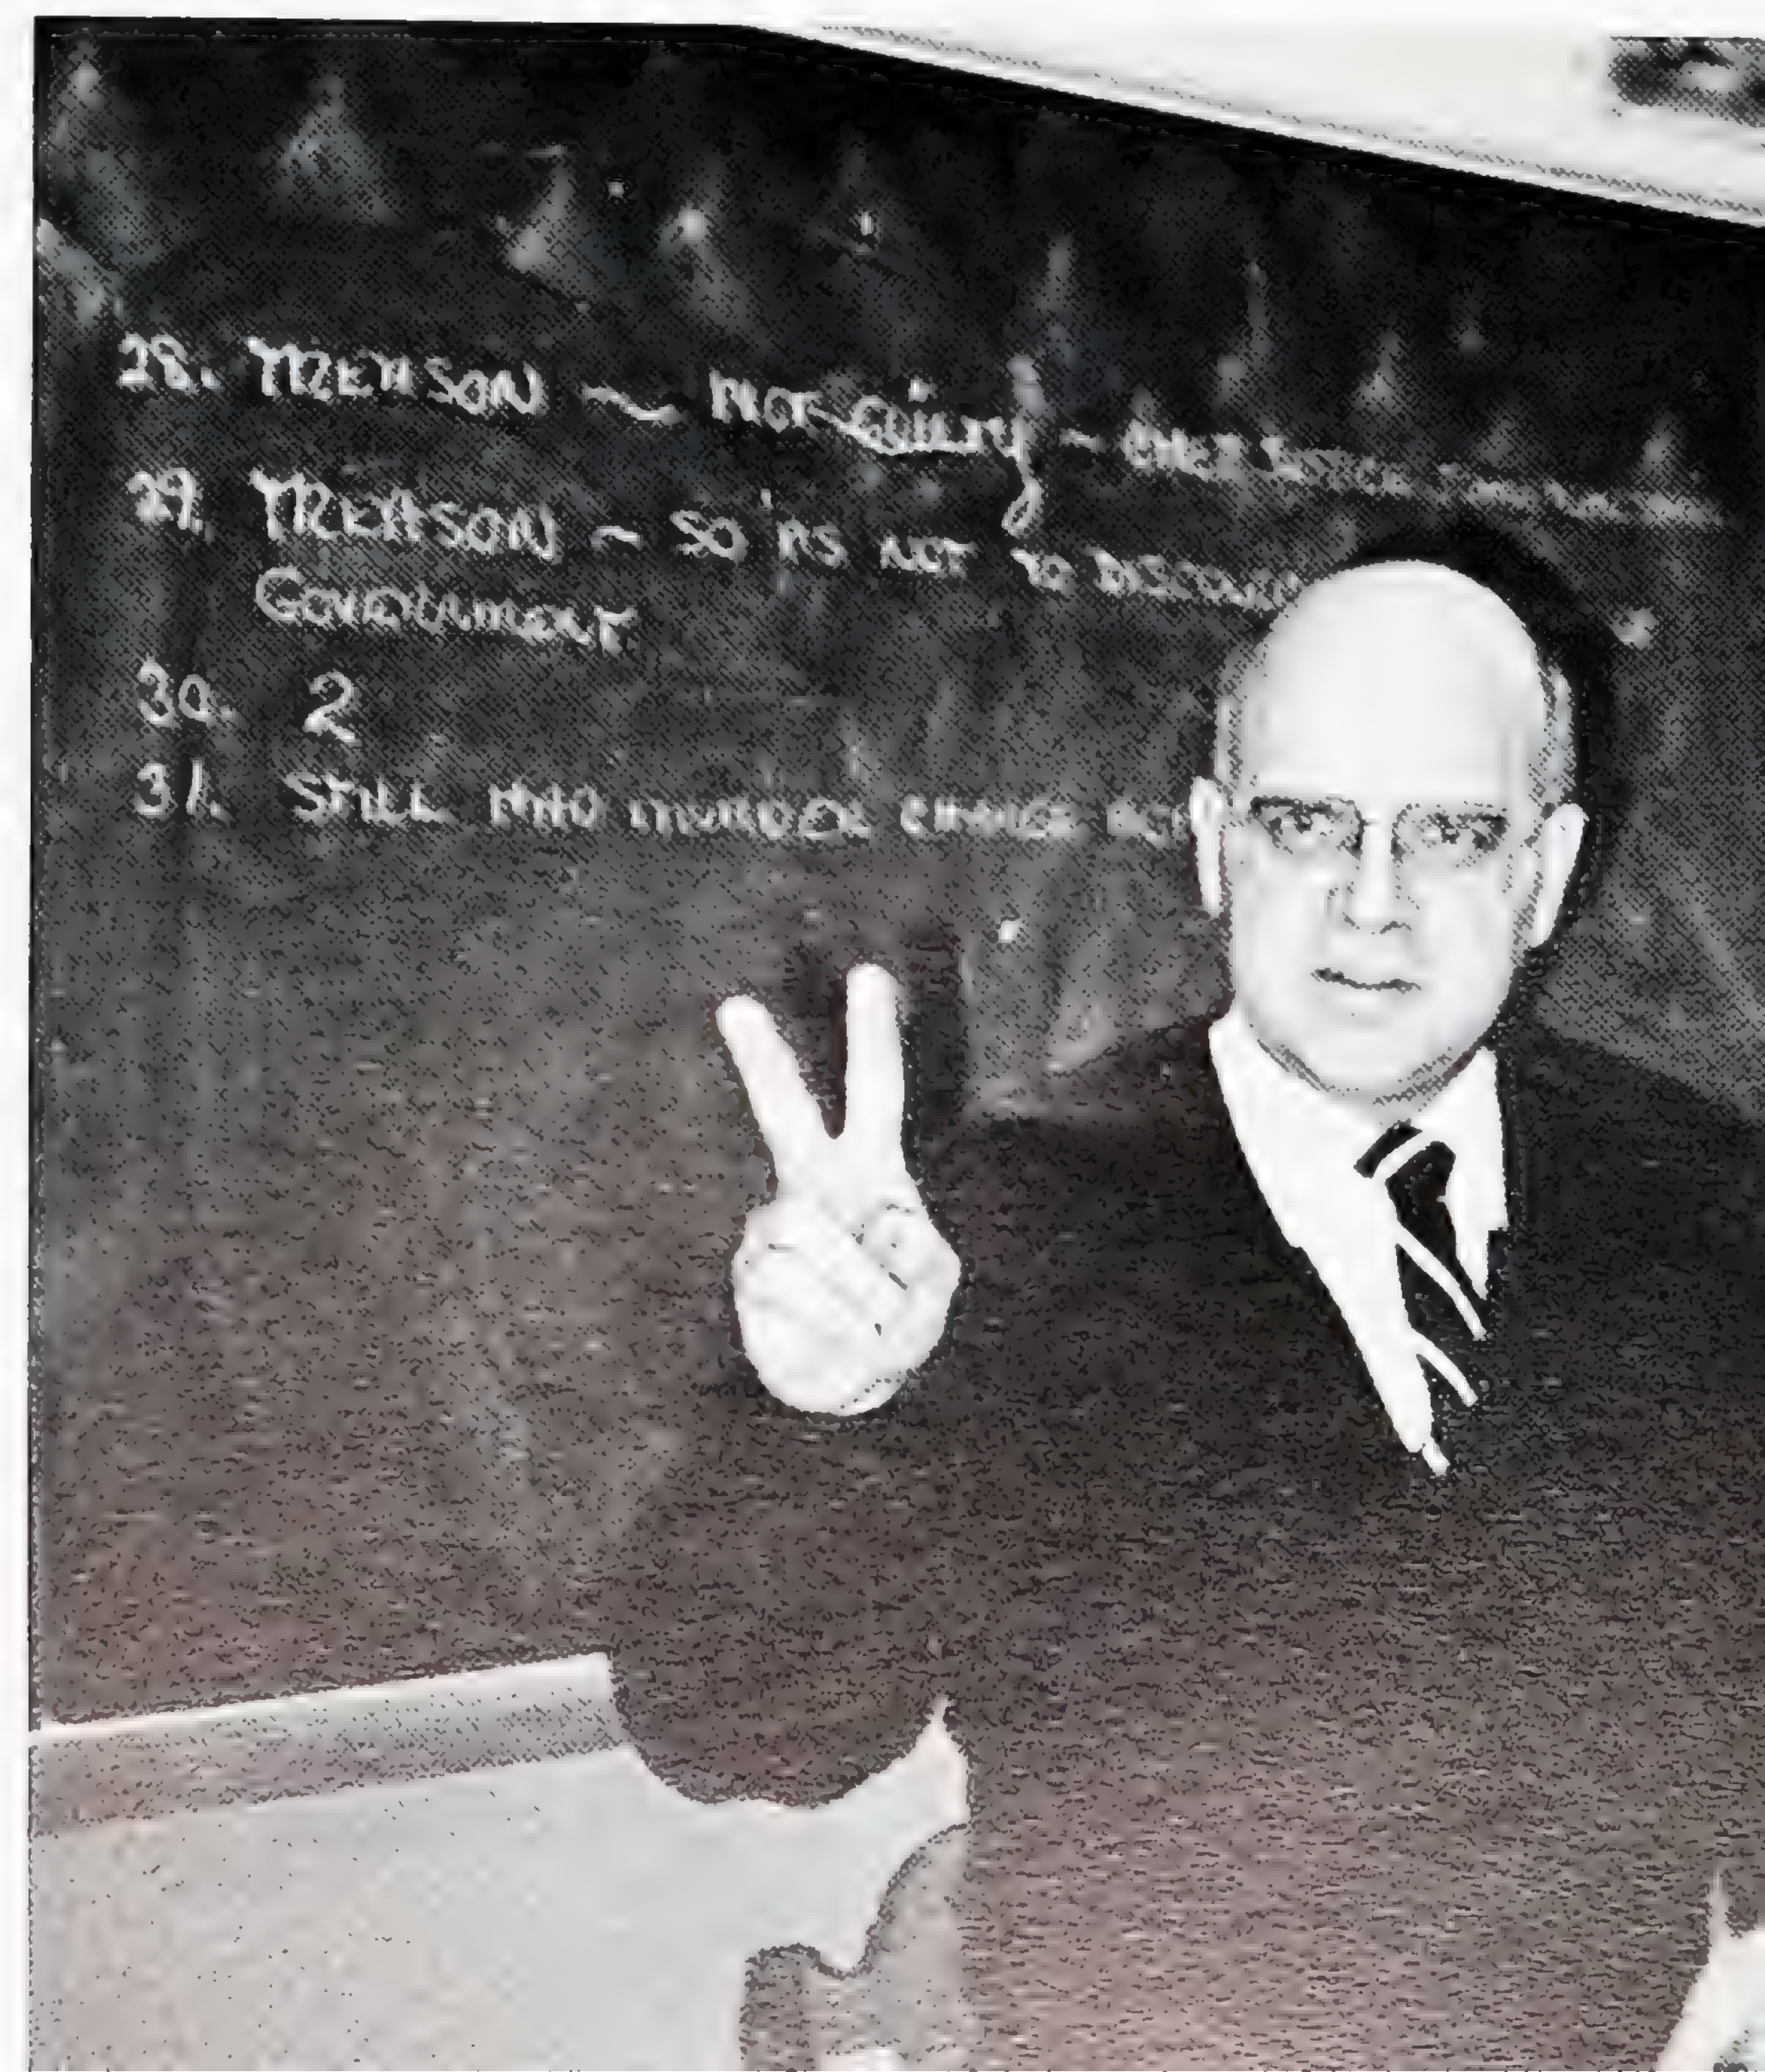

I pray there is still a world here for someone to read this. If there is it was a hard struggle getting here and never stop believing in peace.

Friendship

Love for your children

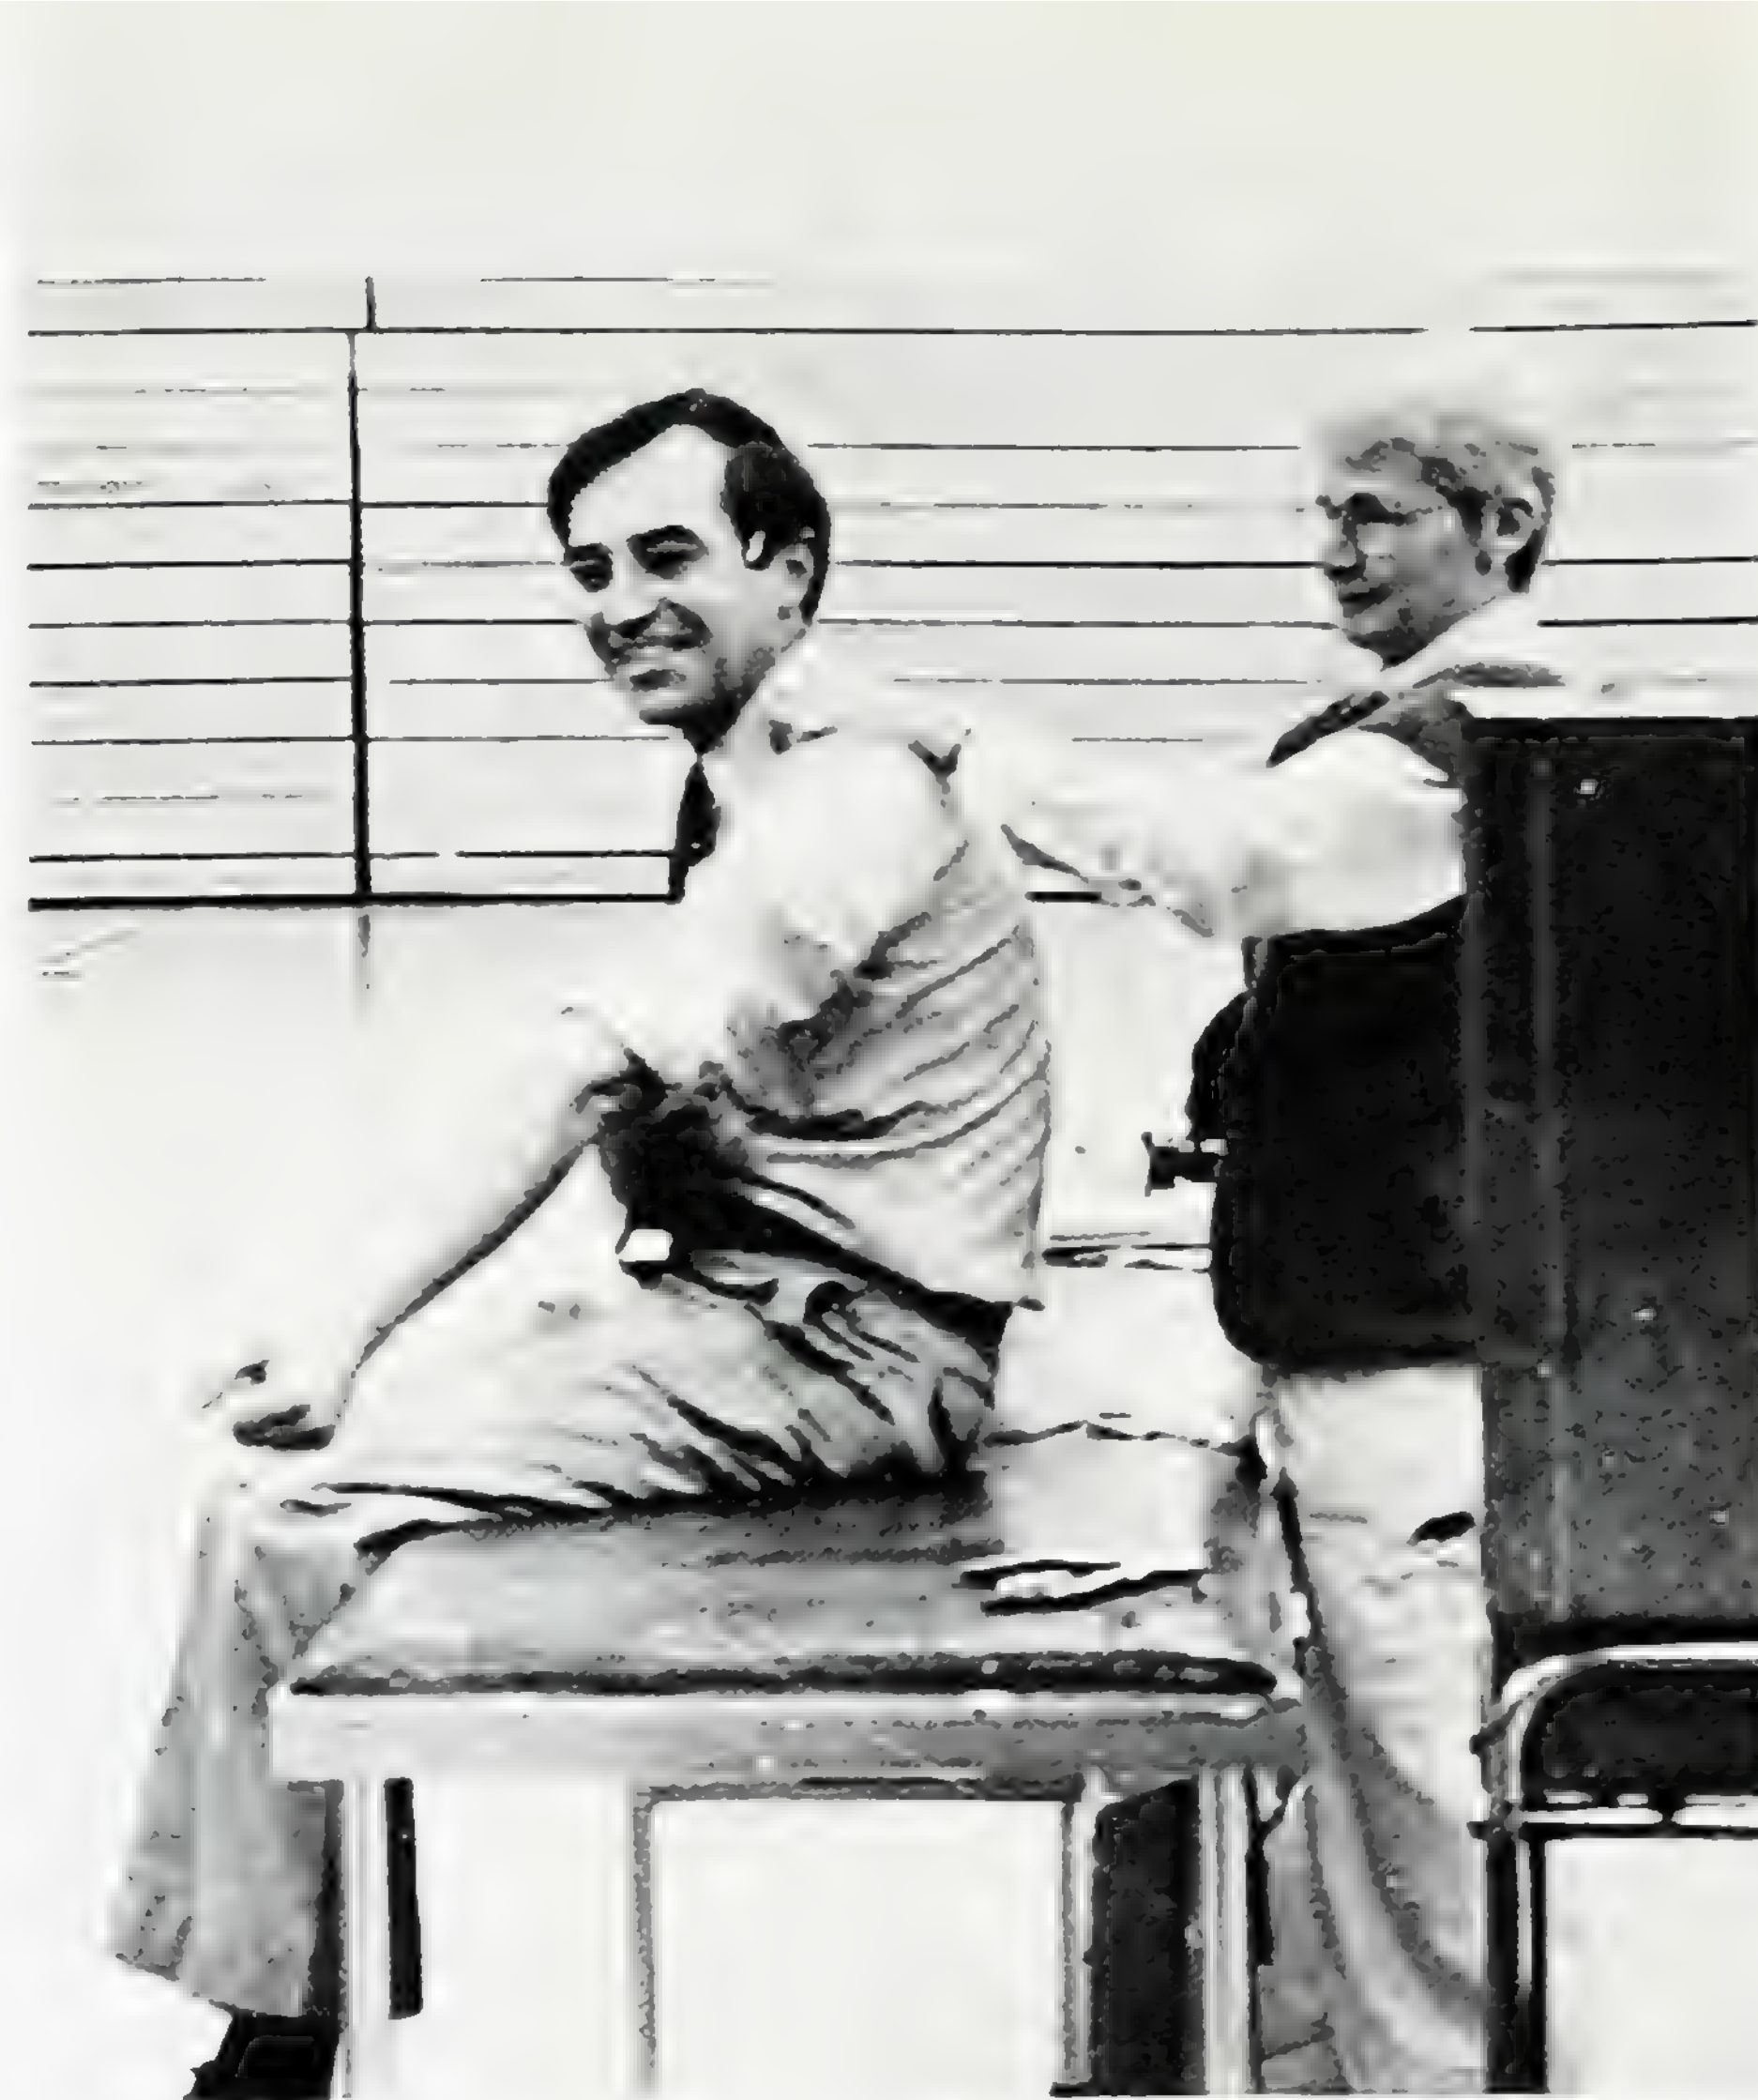

Let there be peace on earth and let it begin with us.

Total harmony among the people.

Who's next?

Ya, right there!

What vampire?

Blood Drive

The Armed Forces

Look at that love line!

You sure it won't hurt?

You go first.

I'm next?!

How relaxing!

You're so vein!

French Club

The French Club enjoyed another active year beginning with a fundraiser in October to kick off the year's events. \$150 was donated for the second year to the Statue of Liberty Fund to prepare the Lady for the July 4th celebration. A Mardi Gras French dinner prepared by the club members was a huge success. In March a song fest of French canons was presented at the Berkshire Nursing Home. Keyboard selections by Mike Messer and a rendition of Clair de Lune by John Philp were well received. It was April in Paris for French Club members Deirdre DeSantis, Thanh Pham, Donna Hallas, Rick Karp, Marc Hoffmeister, Lynn Morelli, Christy Koch, Steve Rossetti and Advisor Madame Beauchamp. A Swatch was purchased in Paris as 1st prize for the May Raffle which was won by Marci McCarthy. 2nd prize went to Eric Mautner with Laura Case taking third. May also heralded the annual French pastry contest. Outstanding entries made judging difficult. Thanh Pham was awarded first prize, Deirdre DeSantis 2nd and Mike Messer 3rd. A trip to New York City in May with a cruise around the Statue of Liberty, a trip to the UN and a dinner at a French restaurant was enjoyed by many members. June also saw the first presentation of a French Club scholarship. Emily Trinkaus was the happy recipient.

The P.H.S. Latin Club began the year with two big fund raisers, a car wash/bake sale, and a candy sale. The members participated in the MJCL ballista contest taking second place. In December, in conjunction with the MSPCC, we adopted a family and provided food, clothing and toys for the holidays. In March we participated in Classics Day at Smith College. In May, ninety-one members participated in the annual MJCL convention held in Brookline and, for the fourth consecutive year, captured the first place trophy. We rounded out the school year with a victory picnic on the Ponterril grounds. In August a group of us will help to represent the Massachusetts delegation at the annual NJCL convention at the University of Indiana.

The In General staff has long been a member of Pittsfield High School and has continued to keep our students well-informed of special events throughout the school year. Under the guiding hand of their advisor, Miss Ryan, the staff has managed to write, typeset and lay out the copy for printing at Taconic High School, and produce at least five issues every school year. At times, the staff even acquired funding through the sale of newspaper advertisements to provide for a professional printing job. Gary Bresnehan led the extensive coverage of our athletic teams, often highlighting the major accomplishments of our athletes. Jeanna Mastrodicasa, Emily Trinkaus, and Jennifer Regan edited and typeset the many articles which ranged from politics to student achievements. Over all, the basic journalism class and the In General staff have consistently produced a newspaper worthy of competing with those of our rival schools. We thank them for their diligent efforts.

Future Business Leaders of America is a national organization based in Washington, D.C. with over 20,000 members, each state operating its own chapter.

The highlight of the year for our FBLA was the creation of a state chapter. We are proud to have Robyn Talanian named as state vice-president, and Michael Jackson director of state constitution and by-laws.

Groundwork for the year was laid in October at a workshop convention in Hartford, CT to help officers fulfill their obligations and acquaint them with FBLA goals.

Among various activities undertaken this year are our two annual events — the gumball raffle and the sending of valentine messages, which both were highly successful. In November our members served as receptionists for the Central Berkshire Chamber of Commerce Businessmen's Show at the Hilton hotel. As a result of their good showing, our members were asked to work as paid receptionists at the annual Home Show in March at Berkshire Community College.

For money makers we sold Christmas items, held a spring raffle, and washed cars in order to raise adequate funds to send representatives to the national convention in Washington, D.C. at the end of June.

WTBR

WTBR-FM is the only radio station in Berkshire County run by high school students. The station started out in 1969 as a radio club for Taconic High School students and "WTHS" broadcast during lunch periods. In 1974 the station went public, broadcasting two hours every day on WBRK. Finally WTHS became WTBR in 1977 and began broadcasting from Taconic High. Since then, WTBR has gone from a 10-watt to a 400-watt station and the station has been expanded to include several area high schools and Berkshire Community College. 1985 was the first year in WTBR's history that there were more Pittsfield High students than Taconic.

WTBR-FM differs from most area stations in that the station tries to play less commercial music and more alternative or progressive rock. Programming at the station also includes jazz, black-oriented, and Christian rock music to name a few. The station is responsible for placing students in jobs at commercial radio stations in Berkshire County and is a valuable learning experience even for students who do not plan a career in radio.

The Pittsfield High School Marching Band is composed of 42 playing members and 2 drum majors who perform regularly at home football games and parades. Annual parades frequented by the band include Pittsfield's own Halloween Parade, the North Adams Fall Foliage Parade and the St. Patrick's Day Parade in Holyoke, MA. This past December the band received third place honors in their division in its first appearance in the city of Quincy Christmas Parade. The band is fortunate to have two auxiliary units which accompany them at many parades. These units include the PHS Cadettes and PHS Color Guard which add much to the overall visual effect and spirit of the band. In addition these units expand the overall marching unit to almost 60 members which contributes a great deal to general effects hence higher scores during review competition.

Fund raising activities held throughout the school year include car washes, bottle drives and raffles. This year the band will launch a new uniform campaign through solicitations from area businesses and civic organizations. The band hopes to sport their new appearance by next fall.

This year's intramural volleyball league turned out to be a very competitive one. Six teams participated, but by the end of the season there was no doubt who ruled the league. The Six-Pack Attack was rarely challenged and did not concede a single game. There were some intense moments before their clash with their senior rivals, The Junkers, but led by the spiking power of Phil Loeffel and Brian Tremblay. The Six-Pack was victorious. In their second meeting with The Junkers, which came in the finals of the playoffs. The Six-Pack won by scores of 15-3 and 15-1.

This year on Jan. 27, the Bay State Graduates met with Mayor Smith to sign their induction papers. In the spring, they competed in a career development conference in Agawam with other Jobs for Bay State Graduates program members.

I am forever walking upon these shores,
 Betwixt the sand and the foam.
 The high tide will erase my foot prints,
 And the wind will blow away the foam.
 But the sea and the shore will remain
 Forever.

Mrs. Beauchamp,

There is no single word to express our sincere gratitude for all that you have given to us, not just this year, but over our four years at P.H.S.

In the classroom where you have taught many of us, you have demonstrated so much dedication and effort for our benefit. Now in our senior year, you have gone beyond that point. The number of hours you have sacrificed and the unending interest which you have taken in this yearbook are something we will never forget. The memories that this book holds will forever be cherished, and we have you to thank for it.

We'll never forget you, but instead we'll remember all that we have shared with you.

Thank you so much
The Yearbook Staff.

Class Day

Junior-Senior Prom

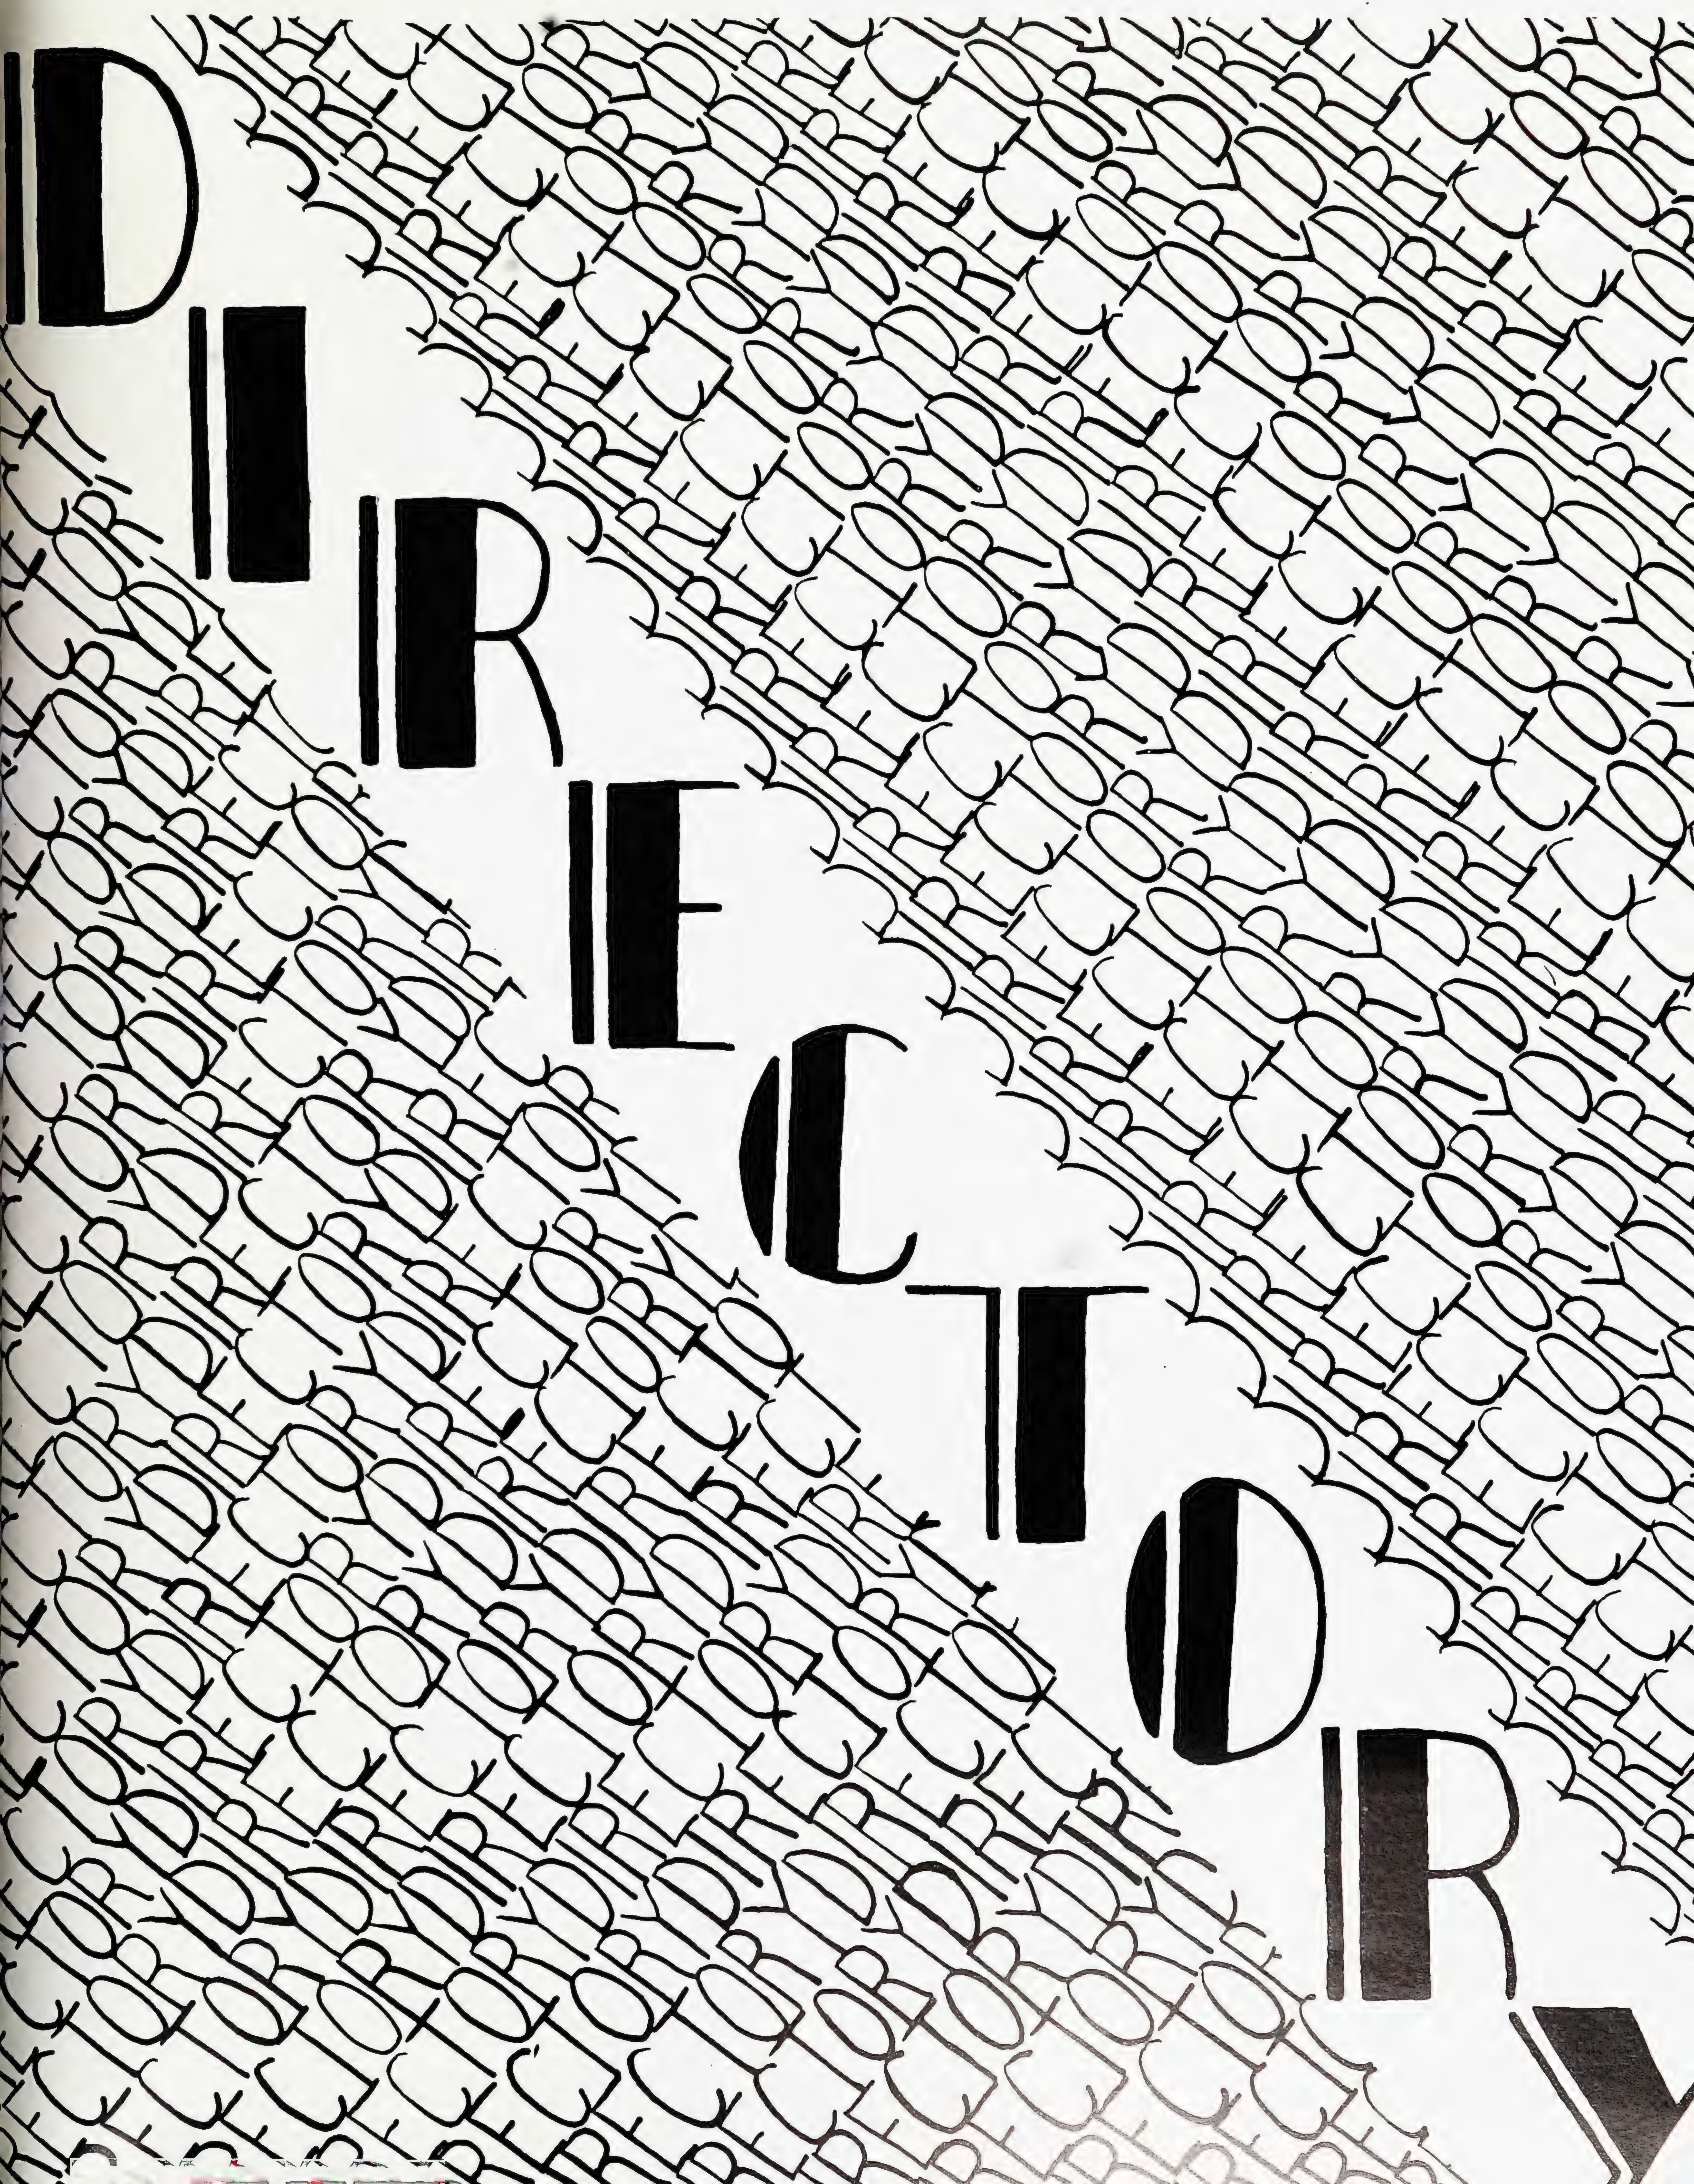

Walking down the near-still corridor
possibly the last time,
you pause to recall many voices,
the same words:
"These are the best four years of your life."
Your gait slows as this message resounds:
the best?
So young, and the greatest has passed?
A silent smile creeps knowingly across your face:
your pace returns, quickens
as thoughts turn toward the future.
You know the truth.
Reaching the end of the hall
you pull the doors wide open:
the sun greets you with brightness and warmth
and clean air rushes to your lungs.
Your eyes look back for just a moment:
the great times in high school will be remembered,
but the best years
are yet to come.
